## OBJECTIVE

---

Web Developer with 1+ years of freelancing experience, seeking full-time web development roles.

## EDUCATION

---

**Master of Computer Science**, Chandigarh University 2023  
Relevant Coursework: AI ML

**Bachelor of Computer Science**, BGSBU University 2016 - 2020

## SKILLS

---

**Technical Skills:** JavaScript, ReactJS, TailwindCSS, HTML, CSS, Git

**Soft Skills:** Teamwork, Collaboration, Problem Solving, Decision Making, Critical Thinking

## PROJECTS

---

**E-commerce Website.** This project showcases my expertise in front-end development, demonstrating how I leverage the latest tools and frameworks to deliver a polished and professional web presence. Titanic Services isn't just a website; it's a testament to my commitment to pushing the boundaries of web development. ([Live Demo](#))

**Travel To-Do List** Introducing my personalized Travel To-Do List, a dynamic web application crafted with JavaScript to enhance your travel planning experience. Add, edit, and remove tasks on the go to accommodate your ever-changing travel plans. This user-friendly tool allows you to effortlessly organize your travel itinerary, ensuring a seamless and enjoyable journey. ([Live Demo](#))

**Travel Booking Website** Explore the site to discover a range of services that transcend expectations. From sleek animations powered by Framer Motion to the responsive design achieved through React, every detail has been meticulously crafted to ensure an engaging and intuitive user journey. The aesthetic finesse of Tailwind CSS adds a touch of sophistication, making Kashmir Tour not only functional but also aesthetically pleasing. ([Live Demo](#))

**Personal Portfolio.** Discover my journey, explore my projects, and delve into the skills and technologies that define my expertise. Crafted with precision using React, Tailwind CSS, and Framer Motion, this website is more than just a showcase. The responsive design, elegant animations, and intuitive user interface exemplify my dedication to creating websites that captivate and engage. ([Live Demo](#))

## EXTRA-CURRICULAR ACTIVITIES

---

- Mentored and provided guidance to peers and juniors in coding and programming concepts during college.
- Demonstrated leadership by fostering a collaborative learning environment and encouraging knowledge-sharing among peers.

## LEADERSHIP

---

- Demonstrated strong leadership skills as the team captain of a project during my academic studies.
- Contributing to the professional growth of team members and the timely delivery of high-quality projects.
